

# Request to use test in research

|  |  |
|--|--|
| Name:                                      |  |
| Title:                                     |  |
| Institution:                               |  |
| Research programme (BSc, MSc, PhD, other): |  |
| Contact details:                           |  |
| Date of request:                           |  |
| Name of test:                              |  |
| Title of research:                         |  |
| Purpose of research:                       |  |
| Strategy and method:                       |  |

|   |       |
|---|-------|
| Dates of research:  | From: |
|   | To:   |
| Date report will be provided to Hogrefe:                  |       |
| Details of test to be used:                               |       |
| Will the test be used in paper and pencil form or online: |       |
| How many administrations do you require:                  |       |
| Any other information:                                    |       |

Please note that by submitting this form you agree to submit all data collected to Hogrefe in scored form, including information on the sample and demographic data collected on each subject (without identifying individuals).

We strive to offer researchers a generous discount, granted on a case-by-case basis.
